

ST. BRIGID, PRAY FOR US

St. Brigid, patron saint of fertility and children, performed a miracle — she caused a pregnancy to vanish. She shows us that abortion is a part of life.

You were a woman of peace.

**You brought harmony
where there was conflict.**

**You brought light to the darkness.
You brought hope to the downcast.**

**May the mantle of your peace cover
those who are troubled and anxious,
and may peace be firmly rooted in our
hearts and in our world.**

**Inspire us to act justly and
to reverence all God has made.**

**Brigid, you were a voice for
the wounded and the weary.
Strengthen what is weak within us.
Calm us into a quietness
that heals and listens.**

**May we grow each day into greater
wholeness in mind, body, and spirit.**

Amen.

A PRAYER OF ACCOMPANIMENT

God of care,
be with me
as I enter this clinic
knowing what I need.

God of love,
steady my hands
smile down through those
who love me
and the abortion providers
whom you have called
to walk with me today.

Spirit of God,
be with me now
on this day
and in those to come.
Amen.
