

How

Picture a world where safe and reliable **birth control** is affordable and everybody uses it.

to

Where the decision to **become** a parent is made responsibly.

end

Where parents have easy access to **child care**.

the

Where people have **health care** whether or not they have a job.

abortion

Where sex is both **serious** and pleasurable.

wars.

In this world, abortions aren't illegal. They're **prevented**.

Isn't that the best choice of all?
